**THE CARITAS FOUNDATION PRESENTS**

**THE HARMONY BALL**

---

On Saturday March 28, 2009 the exclusive fundraising Gala "The Harmony Ball" is taking place at the Royalton Banquet Hall in Vaughan, Ontario. Organized by The Caritas Foundation, the Gala averages over 400 guests each year.

The Caritas Foundation's vision and purpose is to ensure the vitality of Caritas Project by providing the necessary funding for its programs and services. Caritas Project, also known as *a school of life*, has been providing services to families for over 20 years. Caritas is a therapeutic community with a focus on addiction recovery and substance abuse education. To find out more about Caritas Project, please visit [www.caritas.ca](http://www.caritas.ca)

With a special focus on Asian Culture and Tradition, this year's Gala encompasses an antipasto reception followed by fine dining, entertainment, a live auction, raffle, door prizes, and more.

The annual Gala kicks off the fundraising activities associated with the Caritas Annual Telethon (aired on TLN Television this April). This year Caritas is proud to honour TLN Teletatino for their generous and significant contribution made to Caritas Project over the past 15 years.

Tickets are on sale now. To charge by phone, sponsorships, or for additional information on the Gala please call the Caritas Centre at 416-748-9988.
