## **Caritas 22<sup>nd</sup> Annual Together Event**

### **October 17, 2010**

---

Caritas is hosting its **22<sup>nd</sup> Annual Together Event at 4PM on Sunday October 17, 2010** at the Jewel Banquet Centre in Woodbridge.

The Together Event has a long history of bringing families and communities together to share the struggles and successes of lives that have been touched by the devastating effects of addiction. **Father Gianni Carparelli** the Caritas founder is back with us here in Toronto, and Caritas is pleased to announce that **The Honourable David C. Onley, Lieutenant Governor of Ontario**, will be our guest speaker this year.

Caritas, also known as *a school of life*, is a registered charity founded over two decades ago. Well known for its twenty five month residential rehabilitation program, our Therapeutic Community Approach focuses on substance abuse education and dependency recovery. As always The Together Event will be an evening filled with compassion and encouragement, in a family-like setting.

Other highlights of the evening include an Open Microphone segment where residents and their families share accounts of the difficult journey that brought them to Caritas and the wholly inspirational stories of lives that have been transformed. Please join the Caritas family and lend a hand in making your community a better place to live.
